In this case IT Declaration Status shall show as Awaiting.

    Below is the description of different status displayed for **IT Declaration** and **Supporting DOC Status**

Status	Meaning
Awaiting	Not uploaded yet.
Verification Pending	Uploaded but yet to be verified by account personnels
Accepted	Verified and accepted by an account personnel.

Case 1: IT Declaration Status is displayed as Awaiting

In this it is likely that the pensioner has submitted you the declaration in hard copy.

Please download the declaration template using the Download Declaration Template button.

Please go through the filled data in the file. Some data like Pension ID, Name, Gross etc shall already be there. You need not modify it.

Note: In case Age is displayed as 122 please read the READ ME in the nearby cell in excel file and do as suggested.

Note: In case Taxable Pension is empty please read the READ ME in the nearby cell in excel file and do as suggested.

In case there is any tax saving related investment data Please collect the hard copy, verify it and keep it as a record. You need not to upload it.

After verifying the data please save the excel file and upload it using Upload IT Declaration button. After uploading the status will change as **Verification Pending.**

In the Balance Tax deducted field please input the value of balance tax in the cell G91 of the sheet and click on Accept declaration. After that Declaration shall be marked as accepted.

Case 2: IT Declaration Status is displayed as Verification Pending

Please download the Submitted Declaration using the Download **Declaration** button thereafter please go through the filled data in the file. Some data like Pension ID, Name, Gross etc shall already be there. You need not modify it.

Note: In case Age is displayed as 122 please read the READ ME in the nearby cell in excel file and do as suggested.

Note: In case Taxable Pension is empty please read the READ ME in the nearby cell in excel file and do as suggested.

In case there is any tax saving related investment data please ensure that a corresponding Supporting DOC has been uploaded in case it is missing or incomplete please click on Ask to Resubmit Supporting Doc button which shall inform pensioner to resubmit the supporting document.

In case everything is okay please input the value of balance tax in the cell G91 of the sheet and click on Accept declaration. After that Declaration shall be marked as accepted.

Case 3: IT Declaration Status is displayed as Verification Accepted

In this case no action is required from your end.
